About Us

Safe Kids Kootenai County is a member of **Safe Kids USA** and **Safe Kids Worldwide**. We are a global network of organizations dedicated to preventing unintentional childhood injuries, the number one cause of death to children in the United States. Since 1988, Safe Kids has helped reduce the U.S. childhood death rate from injuries by 55%.

Our vision is to eliminate unintentional injury and death to children in our region. Safe Kids provides parents, educators, safety professionals, caregivers and the media with evidence-based data and injury prevention strategies on a variety of topics including the following:

- Bicycle safety
- Helmet safety
- Car safety
- Car seats, boosters and seat belt safety
- Water and boating safety
- Fall prevention
- Pedestrian safety
- Playground safety
- Safe infant sleep and suffocation prevention

Collaboration

Safe Kids Kootenai County hosts events throughout the community to empower parents, grandparents and other caregivers with information to help keep kids safe.

Programs include:

- Bicycle safety presentations
- Health and safety fairs
- Safe infant sleep classes
- Water and boating safety presentations
- Weekly car seat inspections available by appointment

For more information on car seat inspections, safety tips, and volunteer opportunities visit: www.safekidskootenaicounty.org

Our Experts

Our list of highly-trained professionals include nationally certified child passenger safety technicians who inspect child safety seats, providing hands-on instruction, answering questions and replacing car seats at cost or donation, when necessary.

To make an appointment for a car seat inspection call 208.625.4642.

Safety Tips

Kids are going to fall, crash, slip and tumble. It's all part of being a kid, and we wouldn't want it any other way. But there are little things we can all do to ensure that kids avoid the more serious injuries that can lead to disabilities and even death. This is a problem we can fix.

For safety tips on every stage of your child's development, visit our national site at www.safekids.org
